

LASERTEK BRAND

Premium Toner Cartridges

The quality of the original at a price that's much more competitive. Start saving money today with B2B Direct's Lasertek Brand toner cartridges and kits...improving your image and your bottom line, time and time again.

COMPATIBILITY..WE'VE GOT IT

Our industry knowledge and worldwide R&D resources enable us to be quick to market with the products you want. We manufacture a wide selection of cartridges for the most popular models of laser printers, personal copiers and plain paper fax machines. Just check out our product list on the back of this sheet to find the right cartridge for your printer.

VALUE...IT'S THE WAY WE DO BUSINESS

B2B Direct has earned a reputation in the imaging supplies business for delivering quality products to our customers at competitive prices. The vertical integration of B2B Direct allows us to enjoy the benefits of the highest quality, fully compatible raw materials enabling us to produce top of the line products for our customers.

QUALITY... WE GUARANTEE IT

Each product is backed by our exclusive guarantee. Each cartridge is engineered and manufactured to meet exacting standards in construction and performance. The cartridges are assembled by technicians who have been trained, tested and certified to work on each specific product. Print tests are run on each and every cartridge before it is packed for shipping.

AIR CUSHION PACKAGING...AN INDUSTRY EXCLUSIVE

After the quality goes into the product, we put the product into the highest quality packaging available. Every cartridge shipped is packed in our exclusive Air Cushion insert. This is the only insert in the industry to pass the rigorous International Safe Transit Association (ISTA) test for laser cartridge packaging accepted by UPS, FedEx and most major freight carriers as the standard for excellence.

CARTRIDGE RECOVERY PROGRAMS

B2B Direct helps to meet the needs of the industry and the environment through our cartridge recovery programs. This environmental initiative creates "Better Products through Responsible Manufacturing." Cartridge recovery programs are now in place to suit a variety of needs.
